**Maverick Camps and the Sports Institute are teaming up again to offer the spring 3 vs. 3 league. Last year was a huge success and we look forward to another year of fun and improvement on the ice and at the sports institute in 2010**

**Camp Philosophy:**

Each of the eight ice sessions will include three cross ice 3 vs. 3 games in which players will improve their skills in a low pressure, fun and competitive atmosphere. Making plays with the puck and with each other will be strongly encouraged, taking chances and expanding the comfort zones of each player will be our main objective.

**Off-Ice Training**

Teams taking part in the Three vs. Three league will have the option to sign up for the Sports Institute Skating Treadmill and Strength / Power / Agility (SPA) sessions at a reduced rate. You will need to register and attend in groups of at least three and no more than ten. Sessions at the Sports Institute will run between an hour and an hour and fifteen minutes based on the number in the group. Instructors will include members of the MSU Staff, MSU Players and employees of the Sports Institute.
